Carol,

I just wanted to verify that the meeting will be with Navy and Northrop Grumman and that we will be meeting with EPA and NYSDEC. Unless lawyers from EPA, NYSDEC or NG will be attending, I only plan on bringing my consultants with me - Brian Caldwell, Resolution Consultants, and Dave Brayack, Tetra Tech.  
Lora

Hi Lora - I want to let you know that the meeting date has been set for Wednesday, March 18th, in EPA's New York City offices. We are waiting to hear the exact time, but you can expect sometime around 10:30.

When you have the chance, please drop me a line to let me know who you are planning to bring with you. Unless we hear otherwise from you, we plan to hold the meeting at just the Branch level. Our new Deputy Regional Administrator (George Pavlou's replacement) would not be attending.
